

### REMARKS

Claim 33 has been canceled without prejudice. Claims 27, 29, 34, 36 and 37 have been amended. Claims 27-32 and 34-27 are currently pending.

The Examiner's courtesy in granting the undersigned a personal interview on December 6, 2005 is greatly appreciated. During this interview, claim 27 and certain proposed amendments were discussed.

First, Application has canceled claim 33 without prejudice, thereby rendering moot the rejection of claim 33. Claims 34, 36 and 37 have been amended to depend from allowed claim 35. Thus, claims 34-37 are now in condition for allowance.

Independent claim 27 stands rejected under 35 USC102(b) a being anticipated by USP D353,166 to Kwak ("Kwak"). This rejection is respectfully traversed.

Independent claim 27 has been amended to recite that the air generator is fixedly secured to the housing. In contrast, Kwak does not teach or suggest any air generating device that is fixedly secured to a housing. Thus, claim 27, and claims 28 and 30-32 depending therefrom, are submitted to be in condition for allowance.

Claim 29 has been amended to return it to its original form, depending upon claim 27. Thus, claim 29 is also in condition for allowance.

In light of the above, all pending claims are submitted to be in condition for allowance. The Examiner is encouraged to telephone the undersigned if there are informalities that can be resolved in a phone conversation, or if the Examiner has any further suggestions for placing this case in condition for allowance.

Respectfully Submitted,
